Re: Luis Alfaro v. Jersey College
Docket No.: 2:23-cv-00325/AAA Case No. 01-23-0002-8620
Our File No.: 20022-03930 RKH

Dear Judge Wettre:

As you know, this office represents Jersey College in relation to the above-captioned matter. Please accept the following as a very brief update in advance of the telephone conference scheduled for July 8, 2025.

Following the Parties' May 12, 2025 settlement conference, per Your Honor's instruction, Jersey College provided claimant with time to consider next steps regarding the arbitration award. By way of email dated June 2, 2025, this office asked claimant's counsel whether he had made any decision as to attempting to vacate the award. Thereafter, on June 10, 2025, this office sent a second email to counsel following up for claimant's decision. To date, no response has been received. As such, Jersey College would like to proceed with confirming the March 11, 2025 arbitration award so as not to cause further delay, resulting in additional unnecessary fees. As indicated during the conference, claimant's efforts to delay this matter are increasing Jersey College's counsel fees, which are completely frivolous.

Should Your Honor have any questions with regard to the foregoing, please do not hesitate to contact me.
